

## BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION DEGREE PROGRAM

This degree program examines the foundation and functions of modern business management. The curriculum is designed to instruct students on current trends, theories, and skills necessary in today's competitive global business market. The program enables students to develop the knowledge, skills, and attitudes that will enable them to perform creatively, ethically, and effectively in for-profit and non-profit organizations ranging in size from small business and entrepreneurial ventures to international corporations.
