

## BACHELOR OF SCIENCE IN MARKETING DEGREE PROGRAM

This degree prepares students for success in the areas of advertising, marketing, promotions, public relations, and sales. The program teaches the student how to coordinate market research, marketing strategy, sales, advertising, promotion, pricing, product development, brand management, and public relations activities for their companies. This degree emphasizes a strategic managerial approach to integrated marketing while tying the theory of marketing to real world applications. Marketing is more important than ever before requiring analytical skills as well as intuition, logic, and reasoning.
