
Preferred Tuition Information

Regis University offers preferred tuition rates to students who are licensed teachers, paraprofessionals, or employed by an organization with which the University has an active partnership. Before the discounted rates can be applied, we must receive all required documentation—including the Preferred Tuition Partnership Form (next page)—plus whichever of the following is applicable to you:

Employees of partnership organizations must provide us with the name of the organization and its human resources representative's contact information so employment can be verified (next page). This discount must be renewed annually before June 1.

Paraprofessionals are required to submit a letter on company letterhead stating that they are currently employed as a paraprofessional. This discount must be renewed annually before June 1.

Licensed teachers are required to submit a copy of their valid teaching license. This discount will be active until the expiration date on the license we receive.

Para professionals and licensed teachers should use the contact information below when submitting their additional documentation:

Regis University
Academic Records and Registration
3333 Regis Blvd A-8
Denver, Colorado 80221
Fax: 303.964.5536
Email: registrar@regis.edu

Please continue to check your RegisNET e-mail account. If there are any issues with your form and/or documentation, details will be sent to your RegisNET e-mail address. You can access your account by going to email.regis.edu and entering your RegisNET username and password.

Please contact Enrollment Services with any discount-related questions or issues at 303-458-4126 / 1-800-568-8932 or registrar@regis.edu.

Regis University's policy does not allow retroactive application of any preferred tuition rate to any course that has ended prior to the University receiving all of the required documentation.

Click the Submit button below to proceed to the Preferred Tuition Partnership Form.
